

**Department for Environmental Protection
Division of Waste Management**

NOTICE

**THE 2006 LANDFARM FACILITY OPERATOR TRAINING AND
CERTIFICATION SCHOOL**

The Division of Waste Management's annual training and certification program for Landfarm Facility Operators will be held on June 22 and 23, 2006 at the Franklin County Extension Office located at 101 Lakeview Court in Frankfort, KY. The objectives of this class are to promote environmentally sound solid and special waste practices, certify facility operators, and provide training on facility operations. The program contains sessions on special and solid waste for landfarming, site selection, annual reviews, regulations, site inspections, soil properties, soil and crop management, landfarming management and closure. **The length of the training class, including examination, is two days.** Upon successful completion of this course, operators will become certified for five years. Classes usually run from 8:30 a.m. until 4:30 p.m. each day. Please arrive on time to sign in each day prior to class.

WHO MUST ATTEND: All landfarm facilities in Kentucky must have a certified operator. **If you were granted interim status, or if your certification expires on or before December 31, 2006 you MUST register to attend this school.**

REGISTRATION: To make class reservations, complete and return the attached application for certification form (DEP 6031), registration form **and** the appropriate fee to:

**Anita Young, Environmental Technologist III
Division of Waste Management
Solid Waste Branch
Permit Administration Section
